

Easter Revision School – 2019

Easter Revision School takes place during the Easter holidays and provides support for pupils sitting exams in May. The provision and frequency of subjects and levels is determined by staff availability and pupil demand. Pupils must book the sessions they wish to attend on Wednesday 21st March during pupil support

In order that time is spent most effectively, it is important that pupils:

- Keep a note of the sessions they have booked.
- Attend all of the sessions they have booked.
- Arrive on time for the start of each session.
- Bring the appropriate materials/books etc. for each session.
- Remember that behaviour and effort must be of the highest order.

These sessions are not social occasions and pupils must come prepared to maximise the support and help available.

Each day will be divided into two sessions, morning (am) and afternoon (pm). The timing of the sessions are as follows:

- Morning 9.00am to 12.00 noon.
- Afternoon 12.45pm to 3.45pm

Please note, for the duration of Easter Revision School:

- Uniform is not required.
- There will be no school buses.
- The canteen will not be open so pupils must make their own arrangements for lunch.
